

Raspberry Pi 4 OS 以下の対策

start4.elf: is not compatible
This board requires newer software

boot フォルダ直下にある、以下のファイル 16 個を以下のページからダウンロードしたものに置き換える

<https://github.com/raspberrypi/firmware/tree/master/boot>

ファイルは、クリックして選択してから、右上の download でダウンロードできる

The screenshot shows a web browser displaying the GitHub repository for Raspberry Pi firmware files. The URL is github.com/raspberrypi/firmware/tree/master/boot. The page lists various files in a table format. Two groups of files are highlighted with red boxes: a group of .dat files and a group of .elf files.

File Name	Commit Message	Time Ago
bcm2711-rpi-cm4s.dtb	kernel: Bump to 5.15.56	last month
bootcode.bin	kernel: Bump to 5.15.60	10 days ago
fixup.dat	kernel: Revert usbnet: smsc95xx: Don't clear read-only PHY interrupt	7 days ago
fixup4.dat	kernel: Revert usbnet: smsc95xx: Don't clear read-only PHY interrupt	7 days ago
fixup4cd.dat	kernel: Revert usbnet: smsc95xx: Don't clear read-only PHY interrupt	7 days ago
fixup4db.dat	kernel: Revert usbnet: smsc95xx: Don't clear read-only PHY interrupt	7 days ago
fixup4xd.dat	kernel: Revert usbnet: smsc95xx: Don't clear read-only PHY interrupt	7 days ago
fixup_cd.dat	kernel: Revert usbnet: smsc95xx: Don't clear read-only PHY interrupt	7 days ago
fixup_db.dat	kernel: Revert usbnet: smsc95xx: Don't clear read-only PHY interrupt	7 days ago
fixup_x.dat	kernel: Revert usbnet: smsc95xx: Don't clear read-only PHY interrupt	7 days ago
kernel.img	kernel: Revert usbnet: smsc95xx: Don't clear read-only PHY interrupt	7 days ago
kernel7.img	kernel: Revert usbnet: smsc95xx: Don't clear read-only PHY interrupt	7 days ago
kernel7l.img	kernel: Revert usbnet: smsc95xx: Don't clear read-only PHY interrupt	7 days ago
kernel8.img	kernel: Revert usbnet: smsc95xx: Don't clear read-only PHY interrupt	7 days ago
start.elf	kernel: Revert usbnet: smsc95xx: Don't clear read-only PHY interrupt	7 days ago
start4.elf	kernel: Revert usbnet: smsc95xx: Don't clear read-only PHY interrupt	7 days ago
start4cd.elf	kernel: Revert usbnet: smsc95xx: Don't clear read-only PHY interrupt	7 days ago
start4db.elf	kernel: Revert usbnet: smsc95xx: Don't clear read-only PHY interrupt	7 days ago
